ACOUSTICS CONSULTANTS (All Grades)

Cass Allen is looking for Acoustics Consultants to join our team and take an active role in shaping our future.

We are a successful and well-established acoustics consultancy working on some of the most prestigious and challenging projects in the UK with the world's finest architects and construction professionals. We have grown steadily throughout the last 19 years and have just completed our best financial year ever.

Confident, dynamic and articulate, you will ideally have a minimum of 6-8 years' (Principal) or 3-5 years' (Senior) experience within a high quality consultancy environment.

Graduates joining us will be an Acoustics Consultant from day one and will be on site taking measurements, carrying out technical assessments and assisting clients. On every step of the way we will support and nurture your development.

The roles would either be based in our offices in Bedford or, for the right candidate, there exists the opportunity to start a new office in a new location such as Manchester, Reading, Bristol, Birmingham, Oxford and/or work from home (with support from our existing team).

Remuneration will reflect the importance we attach to finding and retaining the right staff.

Please visit www.cassallen.co.uk for information on the quality and variety of work we do and send your CV in confidence to careers@cassallen.co.uk or call Tim Ives on 01234 834869 if you would like to talk through the opportunities prior to submitting a CV.
